Re: Your complaint of 12/15/2017

Dear Mr. Siegel:

Thank you for the information you have forwarded to this office regarding your allegations of negligence on the part of the Mayor of Miami-Dade County for not listening to your plan of "financial re-engineering" called ELPAS-DEF.

The primary function of this office is to prosecute criminal violations of Florida Statutes. Your complaint has been reviewed by an attorney in the Economic Crime Division who has determined that there is insufficient evidence at the present time for us to institute criminal proceedings.

We suggest that you contact a private attorney to determine if there are any civil remedies available to you under Florida law. Should additional information or evidence be developed indicating a crime, this matter can be resubmitted to us. Your complaint will be maintained in our office should further action on our part be necessary.

If you have any questions, please do not hesitate to this office at (305) 547-0671.

Sincerely,

KATHERINE FERNANDEZ RUNDLE
State Attorney
